Support for Implementation of the New Teacher Induction  
Program**

---

Please find enclosed, for your information, the *Summary of Feedback* from the June 2006 regional information sessions held to support school boards in the implementation of the New Teacher Induction Program.

Eight sessions were held: Barrie, London (2 sessions), North Bay/Sudbury, Ottawa, Toronto, Thunder Bay, and a session of French Language Boards held in Toronto. Data collected in these sessions will help inform future sessions as we proceed into this first full year of implementation of NTIP, and we look forward to continue working with you. Participants indicated a very high level of satisfaction with these sessions and a high level of appreciation for the facilitating role played by the Ministry.

I hope you find this document useful as your board proceeds into the new school year. Should you have any questions or concerns, please contact Nicole de Korte, Education Officer, Teaching Policy and Standards Branch, at 416-325-2610, or by email at [Nicole.deKorte@ontario.ca](mailto:Nicole.deKorte@ontario.ca).

Sincerely,

  
Paul Anthony
