MEMORANDUM TO: Directors of Education
Secretary-Treasurers and Supervisory Officers of School Authorities

FROM: Gerry Treble
Team Leader
London Regional Office
Ministry of Education

DATE: January 9, 2007

SUBJECT: **Model Projects to Promote Positive Student Behaviour**

On December 18, 2006, a memo was sent to you about the Model Projects to Promote Positive Student Behaviour initiative from Aryeh Gitterman, Assistant Deputy Minister, Instruction and Leadership Development Division of the Ministry of Education and Trinela Cane, Assistant Deputy Minister, Policy and Program Design Division of the Ministry of Children and Youth Services.

As well, on December 21, 2006, a follow-up memo was sent with the date of the London Regional Working Session and asked that school boards and school authorities identify a working team to attend the session.

I am writing to remind you that the Regional Working Session will be held in London on January 22, 2007 for interested school boards/school authorities. This working session will help school boards and school authorities prepare quality proposals for Model Projects in 2006-07. School board and school authorities are encouraged to invite their community partners to these sessions. Staff from both the Ministries of Education and Children and Youth Services will facilitate the discussions.

Please find attached a draft agenda, a set of discussion questions and the draft application form you may wish to familiarize yourself with in order to make the working session on January 22, 2007 more meaningful.

If you have not already identified your team, please contact me by telephone at (519) 667-1440 ext. 245 or e-mail at gerry.treble@ontario.ca in the London Regional Office.

Thank you for your continued support with this initiative.

Sincerely,
