Date: April 20, 2007

Subject: Invitation to Participate in an Optional Teleconference Regarding the
Evaluation of the New Teacher Induction Program (NTIP)

Thank you for continuing to work in partnership with the Ministry of Education in implementing Ontario's New Teacher Induction Program (NTIP). As you know, as part of the development and growth of the program, the Ministry of Education has contracted the University of Ottawa to evaluate the impact of the program. Please forward this memorandum to your NTIP Board contact person for action.

Dr. Ruth Kane, the lead researcher of the evaluation, has offered to hold an information teleconference session to update interested staff on the project. Boards are welcome to invite any members of their NTIP steering committee to participate in the teleconference; however, we are asking that each board designate one "spokesperson" for their group. If you would like to participate in the teleconference, please e-mail Brandy Brown at Brandy.Brown@ontario.ca by Friday, April 27th with the following information:
