Secretary-Treasurers and Supervisory Officers of School
Authorities

FROM: Monique Châteauvert
Regional Manager
Ottawa Regional Office
Ministry of Education

DATE: January 9, 2007

SUBJECT: **Model Projects to Promote Positive Student Behaviour**

On December 18, 2006, a memo was sent to you about the Model Projects to Promote Positive Student Behaviour initiative from Aryeh Gitterman, Assistant Deputy Minister, Instruction and Leadership Development Division of the Ministry of Education and Trinela Cane, Assistant Deputy Minister, Policy and Program Design Division of the Ministry of Children and Youth Services.

On December 22, 2006, a follow-up memo was sent with the dates of the Regional Working Sessions and asked that school boards and school authorities identify a working team to attend the sessions.

I am writing to confirm that you will be attending the Regional Working Session to be held on January 24, 2007 at Confederation H.S., 1645 Woodroffe Ave., Ottawa for interested school boards/school authorities. This working session will help school boards and school authorities prepare quality proposals for Model Projects in 2006-07. School board and school authorities are encouraged to invite their community partners to these

sessions. Staff from both the Ministries of Education and Children and Youth Services will facilitate the discussions.

Attached, please find a draft agenda, a set of discussion questions along with the draft application form which you may wish to familiarize yourself with in order to make the working session on January 24th more meaningful for you.

If you have not already identified your team, please e-mail or telephone Michael.Laurie@ontario.ca (613 225-9210 #151) in the Ottawa Regional Office.

Thank you for your continued dedication and support in helping all Ontario's students succeed.
