SUBJECT: **Curriculum Review –The Arts
Regional Focus Group Session-Dryden –
November 14, 2006**

Year 4 of the Curriculum Review process began this September. As you know, the review process for each discipline includes consultation through stakeholder information sessions and focus groups.

We are currently working in partnership with the Curriculum and Assessment Policy Branch of the Ministry of Education to organize one-day focus group sessions in November 2006 for representatives from school boards, school authorities, and provincial schools. The purpose of these sessions is to gather input for the review of The Arts, Grades 1 to 8 and The Arts, Grades 9 to 12 curriculum policy documents from teachers, principals and board-level staff. Focus group sessions will be conducted for this subject area designated for review in the 2006-2007 school year. The Arts, Grades 1-8 and The Arts, Grades 9 to 12 will be combined in one focus group session.

For The Arts, Grades 1 – 12 Focus Group Session, district school boards are invited to send twelve (12) representatives with experience in these subject areas to the session. We are asking boards to ensure that participants be selected as follows:

- Four (4) elementary teachers – 1 primary, 1 junior, 2 Grades 7/8, e.g., representing Dance, Drama, Music, and Visual Arts
- Five (5) secondary classroom teachers – e.g., representing 1 Dance, 1 Dramatic Arts, 1 Media Arts, 1 Music, 1 Visual Arts
- Three (3) board representatives – e.g., consultant/coordinator/principal with expertise in the arts at the elementary and secondary level.

School authorities are invited to send one representative to each of the focus group sessions.

Please note that participants are to be prepared to discuss the strengths of the current curriculum policy documents, to identify potential areas for improvement and to comment on how a specific change may impact on the curriculum. Board representatives may wish to consult with their colleagues prior to coming to the session by asking the following questions:

1. **What are the strengths of the curriculum? Why?**
2. **Are there specific areas that need improvement? If so, what are they?**
3. **What impact, if any, would a specific proposed change have on the curriculum? For example, what needs to be considered within the grade? Within the discipline? Across other disciplines?**

Detailed information regarding the specific date, times and location of the Arts, Grades 1-8 and Grades 9-12 Focus Group Session is included in the chart below. The Focus Group registration form and the Expense claim template are attached.
