SUBJECT:

Parents Reaching Out Grants

We are pleased to announce the commencement of the 2011-12 Parents Reaching Out (PRO) grants program for school councils and regional/provincial projects. During the 2010-11 school year, more than 1,700 projects were funded across Ontario totalling \$1.8 million. The PRO grants are available to school councils for a maximum of \$1,000 for school-based initiatives. A maximum of \$30,000 per project will be made available for the PRO regional/provincial grant program.

The PRO grants for school councils are intended to support school-based initiatives to reach parents who face barriers to becoming involved in their child's education. School councils may develop proposals individually, with other school councils in the same board, or with other groups in the school or in the community.

The PRO grants for regional/provincial projects are available to parent organizations, school boards, non-profit organizations and post secondary institutions working in partnership with parents. Eligible projects must fall under at least one of the following areas: Parents as Partners: Welcoming School Board and School Environment for all Parents; and Skill Building Opportunities for Parents.

Please note that the deadline for the 2011-12 PRO grant submissions is **Friday, May 13, 2011**. Applications are required to be submitted electronically. For more information on the 2011-12 PRO grants, please visit the ministry website at: <http://www.edu.gov.on.ca/eng/parents/reaching.html>
