SUBJECT:

Electronic Release of *Learning for All, A Guide to Effective Assessment and Instruction for All Students, Kindergarten to Grade 12 (Learning for All, K-12) (2013)*

Thank you for your continued support in the use of *Learning for All, K-12* in your school boards. As the Ministry has committed to continuing support of system capacity building on personalized and precise teaching and learning to improve the achievement and well-being for all students, we are pleased to announce the electronic release of [*Learning for All, K-12 \(2013\)*](#).

Since the release of *Learning for All, K-12 (2009 & 2011)*, the Ministry has gathered feedback from the sector and stakeholder groups including:

- An intra-ministerial advisory group
- District School Boards
- Minister's Advisory Council on Special Education (MACSE)
- Minister's Principal Reference Group
- Teachers' Affiliates
- Regional Office Special Education Leads

In addition, a wide range of resources and tools have been developed by school boards to support the use of concepts and approaches presented in *Learning for All, K-12*, particularly by the Learning for All K-12 lead school boards in all six regions and among the French-Language school boards. The ministry will continue to facilitate the sharing of these resources.

Learning for All, K-12 (2013) reflects the valuable feedback provided by the stakeholder groups and the learning of school boards, in particular the enhancement of *student engagement* and *collaborative inquiry*. *Learning for All, K-12 (2013)* will remain as a resource document presenting an integrated process of assessment and instruction that supports personalized and precise teaching and learning for all students from Kindergarten to Grade 12. To support the system implementation of this resource, the ministry will continue sharing on the ministry website the Learning for All K-12 Regional Project Reports that outline resources and learning reported by the 18 Learning for All K-12 lead school boards.

Thank you for your support in the use of *Learning for All, K-12 (2013)*.
