Dear colleague,

I am pleased to invite your organization to participate on a newly established Transformation Team on Collaborative Professionalism and Leadership.

The Transformation Team will focus on the commitment in our renewed vision of ensuring that Ontario's educators will be supported in continuous learning and that our system continues to be recognized as one of the best in the world.

Specifically, the Transformation Team members will provide advice to help inform the ministry's development of a Policy/Program Memorandum (PPM). This PPM will set the foundation to recognize and transform collaborative professionalism and leadership.

The Transformation Team's mandate is aligned with provisions in several recent central agreements.

We ask that you select one representative who will be able to attend regular meetings, review materials and provide advice on behalf of your organization in a team environment.

We anticipate that the team will meet one day per month beginning in January 2016 leading to the issuing of the PPM by May 31, 2016.

Please send the name and contact information of the representative who will attend the meetings to Marla Hume (marla.hume@ontario.ca) by December 21, 2015.

Our accomplishments are the result of strong partnerships. We look forward to working together to support high-quality education that ensures excellence and well-being for all learners.

Together, we will ensure that Ontario's publicly funded early years and education system remains among the best in the world.

Sincerely,
