Dear outgoing Student Trustees,

As your term of office as student trustee comes to a close, I want to take this opportunity to acknowledge your valuable contribution and to thank you for being the voice of all students in your board over the past year. You were chosen by your peers to serve alongside the elected leaders in your board and as the representative of the student voice, your participation at the board table benefitted the entire education community.

The voices of our communities – especially our student communities – are essential to healthy school board governance and a strong and vibrant education system. I appreciate the perspective you brought to the board table and I thank you for actively participating in the governance of your school board.

I wish you every success in your future endeavors and encourage you to continue to play an active role supporting student achievement and well-being for all students in Ontario.

Sincerely,
