

2010: EL8

**MEMORANDUM TO:** Directors of Education

**FROM:** Jim Grieve  
Assistant Deputy Minister

**DATE:** June 16, 2010

**SUBJECT:** Full Day Kindergarten 2011-12 (Phase 2)  
Site Selection Confirmation

---

I am writing to provide you with further information about Full Day Kindergarten in 2011-12 (Phase 2). The memorandum of October 27, 2009: B12 – Early Learning Program – Planning for 2010-11 and 2011-12, described the components of Full Day Kindergarten (FDK) and indicated that the Ministry would convey additional information to assist boards with planning for FDK.

The Ministry is pleased to provide you with an approved list confirming your site selections for Phase 2 implementation of FDK. District School Boards, Consolidated Municipal Service Managers/District Social Services Administration Boards and Best Start Networks have done excellent work, and the time and effort given to completing the important task of identifying FDK sites is appreciated. Your collaborative efforts have made it possible for us to move forward in implementing the government's vision of full day early learning for four and five year olds.

To promote transparency, the Ministry is providing boards with a complete list of approved FDK Phase 2 sites in the province (see Appendix 1). With the confirmation of sites, boards can continue planning and working collaboratively with the Ministry's regional Early Learning Division Education Officers, Consolidated Municipal Service Managers/District Social Services Administration Boards and Best Start Networks.

## SUPPORT AND INFORMATION RESOURCES

Education Officers from the Early Learning Implementation Branch are available in each Regional Office to assist you (See Appendix 2). They should be your first contact for further information about FDK, including Phase 2 implementation.
