**MEMORANDUM TO:** Directors of Education  
Secretary Treasurers of School Authorities

**FROM:** Elizabeth Harding  
Director  
Learning Environment Branch

**DATE:** June 18, 2010

**SUBJECT:** **E-Learning Module on Behaviour Management for School Administrators**

---

The Ministry of Education engaged the Council of Ontario Directors of Education (CODE) to research, compile and organize feedback on behaviour management issues from principals and vice-principals across the province into an accessible web-based resource tool. The web-site will be live effective July 1<sup>st</sup> at <http://www.principalissues.com>. This resource will build on the capacity of school administrators to support students by providing readily available supports with respect to students with behaviour challenges.

The development of this on-line resource builds on the work the Ministry has undertaken to enable both teachers and school administrators to place a greater emphasis on prevention and intervention strategies related to student behaviour while building capacity within school boards in addressing local challenges to inappropriate student behaviour.

Thank you for your continued efforts in providing a safe learning environment for students. If you have any questions please contact Nick Laurella at 416-325-7749 or at [nick.laurella@ontario.ca](mailto:nick.laurella@ontario.ca).
