

ONTARIO REGULATION
made under the
EDUCATION ACT
EXTENDED DAY PROGRAMS

SCHOOLS SUBJECT TO SECTION 259 OF THE ACT

Subject schools

1. (1) The obligation of a board under this section with respect to a school governed by it begins with the school year indicated in Column 3 of Schedule 1 opposite the name of the school listed in Column 2 of Schedule 1.

(2) Every board listed in Schedule 1 shall, in every elementary school of the board listed in Schedule 1, operate an extended day program in accordance with section 259 of the Act.

(3) A board is not required to operate an extended day program in a school unless the board and the school are listed in Schedule 1.

(4) A board that is required to operate an extended day program in a school shall operate the program both before the start of the school day and after the end of the school day, except where otherwise provided under section 2.

Exception, staffing and projected enrolment

2. (1) This section does not apply if the projected enrolment of pupils under clause (2) (a) in the relevant portion or portions of the extended day program, is 20 or more pupils.

(2) Despite section 1, a board is not required to operate the before school portion, the after school portion or both portions of an extended day program in a school listed in Schedule 1 in a school year if, by the day before the last day of the preceding school year, the board,

(a) concludes that,

(i) the projected enrolment of the school's junior kindergarten and kindergarten pupils for the school year, in the relevant portion or portions of the extended day program, will result in a pupil to staff ratio of less than 10 to 1, and

(ii) subject to subsection (3), the ratio cannot be raised to 10 to 1 or higher by including up to a maximum of 25 per cent Grade 1 and 2 pupils of the school in the projected enrolment in the portion or portions of the extended day program; and

(b) in a form approved by the Minister,

(i) provides the information on which it based its conclusion under clause (a), and

(ii) affirms to the Minister that it reached the conclusion in good faith, based on that information.

(3) Subclause (2) (a) (ii) does not apply if the board has a written agreement with a third party under which the third party operates a before school program and an after school program on the school site for pupils in Grades 1 and 2.

(4) In reaching its conclusion respecting the 10 to 1 ratio under clause (2) (a), the board shall assume that the extended day program will be staffed by either one or two employees.

(5) The board shall base its decision as to whether to assume one employee or two employees under subsection (4) on its assessment of the minimum number of employees required to operate the program safely, given projected enrolment.

(6) The assumption made by the board does not limit the actual number of employees that the board may in fact employ to staff the program.

Projected enrolment under s. 2

3. (1) The board shall base projected enrolment for the purposes of section 2 on the following:

1. Information about parents' intentions and interests related to enrolling their children in one or more portions of the extended day program in the school during the school year.
2. Demographic information related to the community served by the school.
3. In respect of the 2011/2012 school year and subsequent school years, projections based on data about enrolment in extended day programs operated in the school in previous years.
4. Other relevant sources of information.

(2) The board shall gather the information referred to in subsection (1) by the most reliable means reasonably available to it.

(3) The board shall gather the information referred to in paragraph 1 of subsection (1) from,

- (a) parents of pupils who are registered in the school for the school year in junior kindergarten, kindergarten and, where relevant, Grades 1 and 2; and
- (b) parents who have expressed an interest in enrolling their children in the school for the school year in junior kindergarten, kindergarten and, where relevant, Grades 1 and 2.

(4) Means that may be used to gather the information in paragraph 1 of subsection (1) include,

- (a) questionnaires filled out by parents referred to in clauses (3) (a) and (b); and
- (b) oral and written comments from parents referred to in clauses (3) (a) and (b) who contact or visit the school.

- (a) the board at the time this Regulation came into force had a written agreement with a third party respecting the operation by the third party of a before school program, an after school program or both, on the school site, for pupils in junior kindergarten and kindergarten, outside the time when junior kindergarten and kindergarten are operated in the school;
- (b) the board has evidence that the third party is licensed or authorized under the *Day Nurseries Act* to operate a before school program, an after school program or both, for the 2010/2011 school year;

6. A board is not required to designate a position in an extended day program unit in a school as requiring an early childhood educator or to appoint an early childhood educator to such a position if all of the pupils in the unit are 9 years or older.

TRANSITIONAL — FEES FOR EXTENDED DAY PROGRAM — 2010/2011 SCHOOL YEAR

Interpretation

7. For the purposes of sections 8 to 11,

“actual daily fee” means the extended day program fee for a school’s extended day program, calculated in accordance with subsection 8 (5); (“droits quotidiens réels”)

“base daily fee” means the base extended day program fee for a board’s extended day programs, calculated in accordance with subsection 8 (2); (“droits quotidiens de base”)

“non-instructional day fee” means the extended day program fee for a school on a non-instructional day, calculated in accordance with subsection 8 (7). (“droits pour les journées autres que des journées d’enseignement”)

Determination of fees, first school year

8. (1) Every board that is required by this Regulation to operate an extended day program in the 2010/2011 school year shall, before the last instructional day of the 2009/2010 school year, as indicated in the board’s school calendar posted on the board’s website, determine the fees to be charged by it to parents of pupils enrolled in extended day programs operated by the board in the 2010/2011 school year.

(2) The base daily fee for the 2010/2011 school year shall be determined by,

- (a) projecting the board’s operating costs for extended day programs for the 2010/2011 school year, on the assumption that the board’s extended day programs will operate for five hours a day;
- (b) dividing the amount projected under clause (a) by the projected enrolment of pupils of the board in extended day programs operated by the board in the 2010/2011 school year; and
- (c) dividing the amount determined under clause (b) by 188 (which is approximately the number of instructional days in a school year).

(3) For the purposes of subsection (2),

- (a) a board’s operating costs for extended day programs shall be projected in accordance with section 9; and
- (b) a board’s projected enrolment of its pupils in its extended day programs shall be determined in accordance with section 10.

(4) The assumption about hours of operation specified in clause (2) (a),

- (a) has no effect on the actual number of hours of operation of the board’s extended day programs; and
- (b) does not prevent the board from providing extended day programs during different hours and for different numbers of hours in different schools.

(5) The actual daily fee charged by a board to parents of pupils enrolled in an extended day program at a school of the board shall be determined by multiplying the base daily fee determined under subsection (2) by the percentage set out in column 2 of the Table that corresponds to the number of hours of operation of the extended day program in the school.

**TABLE
DAILY FEE**

Column 1	Column 2
Hours of operation of extended day program in a school	Percentage (of five hours and of base daily fee)

More than 0.5 hours, up to and including 1.0 hours	20%
More than 1.0 hours, up to and including 1.5 hours	30%
More than 1.5 hours, up to and including 2.0 hours	40%
More than 2.0 hours, up to and including 2.5 hours	50%
More than 2.5 hours, up to and including 3.0 hours	60%
More than 3.0 hours, up to and including 3.5 hours	70%
More than 3.5 hours, up to and including 4.0 hours	80%
More than 4.0 hours, up to and including 4.5 hours	90%
More than 4.5 hours, up to and including 5.0 hours	100%
More than 5.0 hours, up to and including 5.5 hours	110%

More than 6.0 hours, up to and including 6.5 hours	130%
More than 6.5 hours, up to and including 7.0 hours	140%

(6) The fee charged by a board to parents of pupils enrolled in only the before school portion or the after school portion of an extended day program at a school of the board shall be determined as follows:

1. Determine the percentage that the number of hours of operation of the before school portion or the after school portion, as the case may be, bears to five hours.
2. Apply that percentage to the board's base daily fee to determine the applicable fee.

(7) The non-instructional day fee charged by a board to parents of pupils enrolled in an extended day program at a school of the board on a non-instructional day shall be determined as follows:

1. Multiply the base daily fee by 0.85.
2. Multiply the amount determined under paragraph 1 by 1.2.
3. Add the amount determined under paragraph 2 to the actual daily fee determined under subsection (5).

Operating costs

9. (1) For the purposes of clause 8 (3) (a), a board's projected operating costs for extended day programs for the 2010/2011 school year is the sum of the following:

1. The projected total wages for employees needed by the board to staff its extended day programs in the year, determined in accordance with subsection (2). For the purposes of this paragraph and subsection (2), employees who staff an extended day program

do not include employees who provide custodial services, administrative services or any other services ancillary to extended day programs.

2. 24.32 per cent of the total determined under paragraph 1, on account of benefits.
3. 13.4 per cent of the sum of the totals determined under paragraphs 1 and 2, on account of vacation and statutory holiday pay.
4. 2 per cent of the sum of the totals determined under paragraphs 1 and 2, on account of professional development.
5. 5 per cent of the sum of the totals determined under paragraphs 1, 2, 3 and 4, on account of use of supply staff.
6. The projected total costs of providing access to pupils with special education needs to the board's extended day programs in the year, determined in accordance with subsection (3).
7. The projected total cost of utilities and custodial services related to the board's extended day programs in the year, determined in accordance with subsection (4).
8. The projected total supplies expenditures related to the board's extended day programs on instructional days in the year. An expenditure is a supplies expenditure if it is categorized as such in the Ministry's Uniform Code of Accounts, revised March 2010 and posted on the Ministry's website.
9. The projected total cost of food related to the board's extended day programs on instructional days in the year.
10. The projected total administrative costs related to the board's extended day programs in the year, including costs of record keeping and fees collection, determined in accordance with subsection (5).
11. The projected total cost of vacancies, not to exceed 10 per cent of the sum of the amounts determined under paragraphs 1 to 10.

(2) Projected total wages under paragraph 1 of subsection (1) shall be determined as follows:

1. Determine the number of employees needed by the board to staff its extended day programs. For the purposes of this paragraph, a board shall count an employee who is assigned to staff a before school portion of an extended day program as 0.4 and an employee who is assigned to staff an after school portion of an extended day program as 0.6.

2. Determine the average hourly wages the board anticipates paying those employees.
3. Multiply the amount determined under paragraph 2 by 940 (representing 188 days multiplied by 5 hours).
4. Multiply the amount determined under paragraph 3 by the number determined under paragraph 1.

(3) Projected total costs of providing access to pupils with special education needs to the board's extended day programs in the year under paragraph 6 of subsection (1) shall be determined as follows:

1. Multiply the projected enrolment of pupils of the board in its extended day programs, as determined under section 10, by 188.
2. Multiply the number determined under paragraph 1 by the amount set out in Column 3 of Schedule 2 opposite the name of the board listed in Column 2 of Schedule 2.

(4) Projected total costs of utilities and custodial services under paragraph 7 of subsection (1) shall be determined as follows:

1. Determine an amount, not to exceed \$0.60, that represents the per pupil per hour cost of utilities and custodial services related to the board's extended day programs.
2. Multiply the amount determined under paragraph 1 by 940 (representing 188 days multiplied by 5 hours).
3. Multiply the amount determined under paragraph 2 by the projected enrolment of pupils of the board in its extended day programs, as determined under section 10.

(5) Projected total administrative costs under paragraph 10 of subsection (1) are determined based on projected costs of the board in relation to,

- (a) contracts entered into by the board with third parties before July 1, 2010 for the 2010/2011 school year, under which third parties will provide administrative services related to the board's extended day programs; and
- (b) employees of the board who spend 75 per cent or more of their time providing administrative services related to the board's extended day programs for the 2010/2011 school year.

Projected enrolment

10. (1) For the purposes of clause 8 (3) (b), a board shall determine the projected enrolment of its pupils in its extended day programs in the 2010/2011 school year based on the following:

1. Information respecting parents' intentions and interests related to enrolling their children in those programs.
2. Demographic information related to the communities served by schools of the board.
3. Other relevant sources of information.

(2) For the purposes of this section, the board shall determine projected enrolment by counting a pupil enrolled in a before school portion of an extended day program as 0.4 and a pupil enrolled in an after school portion of an extended day program as 0.6.

(3) The board shall gather the information referred to in subsection (1) by the most reliable means reasonably available to it.

(4) The board shall gather the information referred to in paragraph 1 of subsection (1) from,

- (a) parents of pupils who are registered for the 2010/2011 school year in junior kindergarten, kindergarten and, where relevant, Grades 1 and 2 in a school of the board; and
- (b) parents who have expressed an interest in enrolling their children for the 2010/2011 school year in junior kindergarten, kindergarten and, where relevant, Grades 1 and 2 in a school of the board.

(5) Means that may be used to gather the information in paragraph 1 of subsection (1) include,

- (a) questionnaires to parents referred to in clauses (4) (a) and (b); and
- (b) oral and written comments from parents referred to in clauses (4) (a) and (b) who contact or visit a school of the board.

Timing for determination and posting of fees

11. No later than the day before the last day of the board's 2009/2010 school year, a board that is required by this Regulation to operate an extended day program in the 2010/2011 school year shall ensure that the fees to be charged by it to parents of pupils enrolled in an extended day program operated by the board for the school year are,

- (a) determined in accordance with sections 8, 9 and 10;

- (b) submitted in writing, together with a detailed account of how the determination was arrived at, to the Minister; and
