SUBJECT: **Working Group on Financial Literacy:
Posting of Electronic Survey**

Further to our correspondence of March 19, 2010 to Directors of Education and Secretary-Treasurers and Supervisory Officers of School Authorities, on the consultation process of the Working Group on the Financial Literacy, we are pleased to inform you that the survey on financial literacy is now posted on the Ministry website. It will be available until June 16th at 5:00 pm. Please find 2 (two) links to the survey on financial literacy.

The first survey link provided below will *only* be accessible to school boards to capture their official board response. Here is the link: <http://www.surveymonkey.com/s/schoolboardfinlit>

The second survey link provided below will capture the unique perspectives of students, teachers, educators, parents, and the general public. To accomplish this, we have developed distinct sets of questions and these are available through the link here: <http://www.edu.gov.on.ca/eng/surveyLiteracy.html>

We appreciate the support of Directors in encouraging schools and their school communities, including students and parents, to consider providing input into this consultation process. School and board committees, such as the Special Education Advisory Committee or the Parent Involvement Committee, may also be interested in responding to the survey.

Thank you once again for your support of the Working Group on Financial Literacy in this important initiative for Ontario students.
