**SUBJECT:** Board Level Graduation Rates for 2011-12 Grade 9 Cohort

---

The Ministry of Education is pleased to provide you with confidential advance notice of the four- and five-year graduation rates, for the 2011-12 grade 9 cohort, for your board. This information is being provided in advance of a province-wide announcement and must be kept confidential until released publicly by the ministry.

In February, the ministry provided your board with diploma information on students in the 2011-12 grade 9 cohort and the opportunity to either confirm the data or make any necessary data corrections.

Based on the latest data following the February confirmation/correction exercise, attached is an updated template containing the diploma information and the final four- and five-year graduation rates for your board. These rates are scheduled to be published on the ministry's website in the coming days.

If you have any questions regarding your board's graduation rates, please contact Eric Ward, Director of the Education Statistics and Analysis Branch at 416-325-8159 or [Eric.Ward@ontario.ca](mailto:Eric.Ward@ontario.ca).

Sincerely,
