

MEMORANDUM TO: Directors of Education

FROM: Sue Durst
Director
Curriculum and Assessment Policy Branch

DATE: September 9, 2010

SUBJECT: **Curriculum Review Feedback Consultation on the drafts of proposed revisions to the *Ontario Curriculum for Native Languages, Grades 1-12***

The review of the *Native Languages, Grades 1-12* curriculum policy documents began in September 2009. In fall 2009 and winter 2010, representatives from school boards, school authorities and First Nations school communities participated in Focus Group Sessions for *Native Languages Grades 1-12* hosted by the Ministry of Education across the province. Focus Group input, feedback from other stakeholders, research, and analysis of current curriculum policy documents provided recommendations for revisions. During the summer of 2010, writing teams of educators drafted proposed revisions to *Native Languages Grades 1-12* curriculum documents to address the recommendations.

The Ministry is initiating the next stage of the review process, Feedback Consultation, on the drafts of proposed revisions to the Ontario curriculum for *Native Languages, Grades 1-12*. The Curriculum and Assessment Policy Branch of the Ministry of Education will be hosting a one day Feedback Consultation session for these policy documents. Participants attending the Feedback Consultation will receive information about the curriculum review process and the rationale for the types of revisions proposed in the draft. They will examine the draft document and discuss the process through which school boards, school authorities, First Nations school communities and stakeholders can provide feedback.

Each board is invited to send one representative to attend the Feedback Consultation session to be held at the Best Western Primrose Hotel, 111 Carlton Street, Toronto, ON M5B 2G3. **The representative** should be a person with central board responsibilities, where possible, for Native Languages and an understanding of the Native Language programs and courses offered in their board.

The representative will play a **coordinating role**, and should have the ability to coordinate a process within the board to gather and collate feedback on the draft of the proposed revisions. Ideally, this individual will also have an understanding of Native Languages. It is important that the representatives understand that at the feedback session, participants will discuss the process through which school boards, school authorities and stakeholders can provide input and comments on the proposed revisions. This feedback consultation is an essential component of the curriculum review process.
