**SUBJECT:** Revocation of Policy/Program Memorandum

---

Policy/Program memoranda are an important vehicle of communication for the ministry. Consequently, we undertake reviews of these memoranda on a regular basis to ensure they remain relevant.

At this time, it has been determined that three policy/program memoranda require revocation because they are no longer current and/or have been made obsolete by new policies and/or legislation. I am officially revoking these memoranda by means of this memo. Please ensure that the memoranda on the attached list are removed from your collection of current memoranda.

The ministry is committed to keeping the PPM system current and will continue to review these important documents. We will be communicating with you further on this subject in the future.
